PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

June 22, 2020

INFORMATION CONCERNING THE ANNUAL MEETING AND VOTING

The Board of Directors (the “Board”) of Ollie’s Bargain Outlet Holdings, Inc. (“Ollie’s,” “we,” “us,” “our,” or the “Company”) is soliciting your proxy to be voted at the 2020 Annual Meeting of Stockholders (the “Annual Meeting”) to be held solely via remote communications on June 22, 2020, at 10:00 a.m. local time, and any postponement or adjournment thereof.

Matters Considered at the Annual Meeting

At the meeting, stockholders will be asked to vote to: (1) elect four nominees named herein as Directors to hold office until the 2021 Annual Meeting; (2) approve a non-binding proposal regarding named executive officers compensation (3) ratify the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending January 30, 2021. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Stock Outstanding and Entitled to Vote

Holders of common stock as of the record date are entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 63,797,524 shares of common stock outstanding and entitled to vote at the Annual Meeting, with each share entitled to one vote.

Important Notice of Internet Availability Proxy Materials

Under rules adopted by the Securities and Exchange Commission (the “SEC”), we are furnishing Proxy Materials as defined on page 2 of this Proxy Statement to most of our stockholders on the Internet, rather than mailing printed copies. By doing so, we save costs and reduce our impact on the environment. If you received a Notice of Availability by mail, you will not receive printed copies of the Proxy Materials unless you request them. Instead, the Notice of Availability will instruct you how to access and review the Proxy Materials on the Internet. If you would like printed copies of the Proxy Materials, please follow the instructions on the Notice of Availability. The Notice of Internet Availability was first mailed on or before May 13, 2020 to all stockholders of record as of the record date for the Annual Meeting, which was the close of business on April 27, 2020.

Participating in the Annual Meeting

Shareholders holding shares at the close of business on the record date may attend the virtual meeting and any adjournments or postponements thereof. To participate in the Annual Meeting, you must have your sixteen-digit control number that is shown on your Notice of Internet Availability of Proxy Materials or on your proxy card if you receive the proxy materials by mail.

Proxy Materials

Our Proxy Materials include:

- This Proxy Statement;
- A Notice of our Annual Meeting (which is attached to this Proxy Statement); and
- Our 2019 Annual Report to Stockholders.

If you received printed versions of these materials by mail (rather than through electronic delivery), these materials also include a Proxy Card or voting instruction form. If you received or accessed these materials through the Internet, your Proxy Card or voting instruction form are available to be filled out and executed electronically. You should review the entire Proxy Statement and the 2019 Annual Report to Stockholders before you vote.

Quorum; Shares Held by Brokers

The presence at the Annual Meeting, in person or by proxy, of the holders of at least a majority of the number of shares of common stock issued and outstanding and entitled to vote as of the record date, is required to constitute a quorum to transact business at the Annual Meeting.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by broker non-votes (as defined below) also are counted as present and entitled to vote for purposes of determining a quorum.

If you are the beneficial owner of shares held for you by a broker, your broker must vote those shares in accordance with your instructions. If you do not give voting instructions to your broker, your broker may vote your shares for you on any discretionary items of business to be voted upon at the Annual Meeting. If your broker does not receive instructions from you on how to vote your shares on a non-discretionary item, then the broker will not be able to vote your shares, which is known as a “broker non-vote.” The appointment of KPMG LLP (Proposal 3), is considered a discretionary item matter, and brokers generally may vote on behalf of beneficial owners who have not furnished voting instructions. Brokers may not vote on the other proposals contained in this Proxy Statement, which are considered “non-routine” or non-discretionary proposals, unless they have received voting instructions from the beneficial owner, and to the extent that they have not received voting instructions, brokers report such number of shares as “non-votes.”

Required Votes on Proposals

Election of Directors. Proposal 1. The affirmative vote of the holders of a majority of the votes cast with respect to the director at the Annual Meeting is required to elect each nominee named herein as a director. Abstentions and broker non-votes will have no effect on this proposal.

Non-Binding Advisory Vote to Approve Named Executive Officer Compensation. Proposal 2. The affirmative vote of the majority of shares present in person or represented by proxy and voting on the subject matter at the Annual Meeting is required to approve this item. Abstentions count as a vote “against” and broker non-votes will have no effect on this proposal.

Ratification of the Selection of KPMG LLP. Proposal 3, relating to the ratification of the selection of KPMG LLP (KPMG) as our independent registered public accounting firm for the fiscal year ending January 30, 2021 will be approved if it receives the affirmative vote of the majority of shares present in person or represented by proxy at a meeting and voting on the subject matter. Abstentions will count as a vote against this proposal.

Other Matters. If any other matters are properly presented at the Annual Meeting for action, including a question of adjourning or postponing the meeting from time to time, the persons named in the proxies and acting thereunder will have discretion to vote on such matters in accordance with their best judgment.

Although the advisory vote in Proposal 2 is non-binding, our Board will review the results of the vote and will take it into account in making determinations concerning our Named Executive Officer compensation.

How to Vote; Revocation of Proxies

Stockholders of record are requested to vote by proxy in one of three ways:

- By telephone—Use the toll-free telephone number shown on the Notice of Internet Availability or any proxy card you receive;
- By Internet—Visit the Internet website indicated on the Notice of Internet Availability or any proxy card you receive and follow the on-screen instructions;
- By mail—If you request a paper proxy card by telephone or Internet, you may elect to vote by mail. If you elect to do so, you should date, sign and promptly return your proxy card by mail in the postage prepaid envelope which accompanied that proxy card; or

Voting instructions (including instructions for both telephonic and Internet proxies) are provided on the Notice of Internet Availability and on any proxy card you receive. The Internet and telephone proxy procedures are designed to authenticate stockholder identities, to allow stockholders to give voting instructions and to confirm that stockholder instructions have been recorded properly. A control number, located on the Notice of Internet Availability or proxy card, will identify stockholders and allow them to submit their proxies and confirm that their voting instructions have been properly recorded. Costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, must be borne by the stockholder. If you submit your proxy by Internet or telephone, it will not be necessary to return a proxy card for your vote to be counted.

If a stockholder does not submit a proxy by the Internet or by telephone or return a signed proxy card, and does not vote electronically during the Annual Meeting at www.virtualshareholdermeeting.com/OLLI2020, his or her shares will not be voted. Shares of our common stock represented by properly executed proxies received by us or proxies submitted by telephone or via the Internet, which are not revoked, will be voted at the meeting in accordance with the instructions contained therein.

If instructions are not given and you do not indicate how your shares should be voted on a proposal, the shares represented by a properly completed proxy will be voted as the Board recommends. In addition, we reserve the right to exercise discretionary authority to vote proxies, in the manner determined by the Company in its sole discretion, on any matters brought before the Annual Meeting for which we did not receive adequate notice under the proxy rules promulgated by the SEC.

Any proxy signed and returned by a stockholder or submitted by telephone or via the Internet may be revoked at any time before it is exercised by giving written notice of revocation to the Company's Secretary at our address set forth herein, by executing and delivering a later-dated proxy (either in writing, by telephone or via the Internet) or by voting in person at the meeting. Attendance at the meeting will not, in and of itself, constitute revocation of a proxy.

If your shares are held in the name of a bank, broker, fiduciary or custodian, follow the voting instructions on the form you receive from your record holder. The availability of Internet and telephone proxies for these stockholders will depend on their voting procedures.

Householding

Some banks, brokers and other holders of record may be participating in the practice of "householding" proxy statements, annual reports or notices. This means that only one copy of our Proxy Materials or Notice of Availability, as applicable, may have been sent to multiple stockholders in your household. If you want to receive separate copies of our Proxy Materials or Notice of Availability, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other holder of record, or you may contact Robert Bertram, Vice President and General Counsel at Ollie's Bargain Outlet Holdings, Inc., by written or oral request, at 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112 or (717) 657-2300 ext. 2177.

If you own our common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one Notice of Internet Availability relating to these proxy materials or copy of these materials themselves. To assist us in saving money and to serve you more efficiently, we encourage you to have all your accounts registered in the same name and address by contacting our transfer agent: American Stock Transfer & Trust Company, LLC, 6201 15th Avenue, Brooklyn, NY 11219, Telephone: (800) 937-5449, or (718) 921-8124.

Proxy Solicitation

The Company is paying the costs of the solicitation of proxies. Members of our Board and officers and employees may solicit proxies by mail, telephone, fax, email or in person. We will not pay directors, officers or employees any extra amounts for soliciting proxies. We may, upon request, reimburse brokerage firms, banks or similar entities representing street name holders for their expenses in forwarding Proxy Materials to their customers who are street name holders and obtaining their voting instructions.

No arrangements or contracts have been made or entered into with any solicitors as of the date of this Proxy Statement, although we reserve the right to engage solicitors if we deem them necessary. If done, such solicitations may be made by mail, telephone, facsimile, e-mail or personal interviews.

Annual Report and Company Information

Our Annual Report to Stockholders, which contains consolidated financial statements for the fiscal year ended February 1, 2020 (“fiscal 2019”), is being furnished to stockholders concurrently herewith. You also may obtain a copy of our Annual Report on Form 10-K for fiscal 2019 that was filed with the SEC, without charge, by writing to Ollie’s Bargain Outlet Holdings, Inc., Attn: Investor Relations and General Counsel, 6295 Allentown Boulevard, Suite 1, Harrisburg, Pennsylvania 17112. PROPOSAL 1—ELECTION OF DIRECTORS

On December 1, 2019, our President and Chief Executive Officer, Mark Butler, unexpectedly passed away. Mark Butler was one of the founders of Ollie’s and he is greatly missed. Upon his passing, the Board appointed John Swygert, who was serving as our Executive Vice President, Chief Operating Officer and Secretary at the time, as Interim President and Chief Executive Officer on December 2, 2019. The Board then elected John Swygert to the Board and named him President and Chief Executive Officer, effective December 10, 2019. The Board determined to appoint Rich Zannino as the Board’s Lead Independent Director while it continues to consider the appointment of a Board Chair and decide the most appropriate Board leadership structure for the Company.

Our Board currently consists of seven (7) directors. Our current Board members are Alissa Ahlman, Robert Fisch, Stanley Fleishman, Thomas Hendrickson, John Swygert, Stephen White, and Richard Zannino.

In light of the amendment of our Certificate of Incorporation approved by our stockholders on June 25, 2019 at the 2019 Annual Meeting to declassify our Board of Directors by the 2022 Annual Meeting of Stockholders, Alissa Ahlman, Robert Fisch, John Swygert, and Richard Zannino will be elected at the Annual Meeting for a one-year term, and they are expected to stand for re-election at our 2021 Annual Meeting of stockholders. Mr. Hendrickson, who was elected as a Class III director, is serving a term that continues through 2021, and he is expected to stand for re-election at the 2021 Annual Meeting for a one-year term. Messrs. White and Fleishman, who were elected as Class I directors, are serving a term that continues through 2022, and are expected to stand for re-election at the 2022 Annual Meeting of stockholders for a one-year term. Our Board will be fully declassified by the 2022 Annual Meeting.

In selecting director candidates for election at the Annual Meeting, our Nominating and Corporate Governance Committee and our Board considered whether the candidates possesses the required skill sets and fulfilled the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities. The following biographies describe the business experience of each director and nominee.

The nominees for election as Directors at the Annual Meeting are described below. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated each of the candidates for election. The Board expects that each of the nominees will be available for election as a director. However, if by reason of an unexpected occurrence, one or more of the nominees is not available for election, the persons named in the form of proxy have advised that they will vote for such substitute nominees as the Board may nominate.

In the event that, in an uncontested election, any incumbent directors does not receive a majority of the votes cast in his or her favor, such director will promptly tender his resignation to the Board. Following the consideration of the recommendation of the Nominating and Corporate Governance Committee, the Board will decide whether to accept or reject the tendered resignation or whether other action should be taken. The Board will disclose its explanation within 90 days from the publication of the Board election results. The Nominating and Corporate Governance Committee and the Board may consider any factor deemed appropriate in deciding whether to accept or reject the tendered resignation.

Your Board unanimously recommends a vote “FOR” the nominees for Directors.

Director Independence

Pursuant to our Corporate Governance Guidelines and Principles, the Board is required to affirmatively determine whether our directors are independent under the Nasdaq Stock Market (“Nasdaq”) corporate governance listing standards.

During its review of director independence, the Board considers all information it deems relevant, including without limitation, any transactions and relationships between each director or any member of his immediate family and the Company and its subsidiaries and affiliates. As a result of this review and based on the recommendation of the Nominating and Corporate Governance Committee, the Board affirmatively determined that Directors Ahlman, Fisch, Fleishman, Hendrickson, White, and Zannino are independent directors under the applicable Nasdaq rules.

Committees of the Board

Our Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee that was formed in April 2019. Our Board has adopted charters for each of its standing committees. Current copies of our committee charters are posted on our website at www.ollies.us.

Audit Committee

The current members of the Audit Committee are Messrs. Hendrickson, Fleishman and White. The Board has determined that Mr. Hendrickson is an “audit committee financial expert” as defined in Item 407(d)(5) of

TABLE OF CONTENTS

Regulation S-K, and the Board is satisfied that all members of our Audit Committee have sufficient expertise and business and financial experience necessary to effectively perform their duties as members of the Audit Committee. Messrs. Hendrickson, Fleishman and White meet the definition of “independent director” for purposes of serving on our Audit Committee under applicable SEC and Nasdaq rules.

The Audit Committee, among other things (i) monitors and oversees our accounting and financial reporting processes, and the integrity of the corporate accounting and financial reporting processes and financial information, including financial statements; (ii) reviews our compliance with legal and regulatory requirements; (iii) oversees our processes relating to risk management, including cyber risk; (iv) oversees our conduct and systems of internal control over financial reporting and disclosure controls and procedures; (v) oversees the annual audit of the Company’s financial statements; (vi) evaluates the independent registered public accounting firm’s qualifications, engagement, compensation and independence; and (vii) monitors the performance of the Company’s independent registered public accounting firm as well as any other public accounting firm engaged to perform other audit, review, or attest services.

The Audit Committee met four (4) times during fiscal 2019. The Audit Committee meets with our independent registered public accounting firm without management present on a regular basis.

Compensation Committee

The current members of the Compensation Committee are Messrs. Zannino and Fisch. All members of the Compensation Committee meet all applicable independence standards under Nasdaq corporate governance standards.

The Compensation Committee (i) reviews and approves appropriate compensation of our Chief Executive Officer and our other executive officers, (ii) oversees management succession planning, (iii) reviews and approves employment arrangements with our executive officers, (iv) administers equity and non-equity compensation plans and programs, (v) evaluates and recommends to the Board appropriate forms and amounts of director compensation, and (vi) prepares the annual report of the Compensation Committee. When required by applicable SEC rules, it will also recommend to the Board the frequency of the say-on-pay vote.

The Compensation Committee also reviews and recommends to the Board the target annual incentive pool, the annual performance objectives for participants, and actual payouts to participants, including the executive officers. The Compensation Committee has sole decision-making authority with respect to all compensation recommendations for our executive officers, subject to further action of the Board as the Board shall determine.

To assist it in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. During fiscal year 2019, our compensation Committee engaged Pearl Meyer & Partners LLC (“Pearl Meyer”), a consulting firm, to advise on director compensation and chief executive officer compensation following the passing of Mr. Butler.

The Compensation Committee met four (4) times in fiscal year 2019. Decisions regarding executive compensation were approved by our Board after taking into account the recommendations of the Compensation Committee and its members.

Nominating and Corporate Governance Committee

Consistent with our Board’s review of our corporate governance principles and focus on promoting certain governance best practices, our Board established the Nominating and Corporate Governance Committee on April 25, 2019. The current members of the Nominating and Corporate Governance Committee are Ms. Ahlman, Messrs. Fisch, Fleishman, Hendrickson, White and Zannino. All members of the Nominating and Corporate Governance Committee meet the applicable independence standards under Nasdaq corporate governance standards.

The Nominating and Corporate Governance Committee, among other things (i) manages the process of identifying and screening potential director candidates to the Board, including candidates recommended by stockholders and filling vacancies consistent with the criteria approved by the Board; (ii) recommends director candidates to the Board; (iii) reviews the effectiveness of and recommends modifications as appropriate to the Company’s process and criteria (including experience, qualifications, attributes, diversity or skills in light of the Company’s business and structure) used to evaluate Board membership and director independence; (iv) reviews

TABLE OF CONTENTS

disclosures concerning director and nominee's experience, qualifications, attributes or skills that led to the decision that each director or nominee should serve as a director; (v) evaluates and makes a recommendation to the Board whether directors qualify as independent; (vi) reviews periodically the committee structure and leadership and recommends any changes to the Board; (vii) reviews the design of new director orientation and continuing education for all directors in conjunction with Company management; and (viii) develops the methodology for annual self-evaluations of the Board, its committees and management.

In recommending director candidates, the Nominating and Corporate Governance Committee considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities.

Stockholders may submit recommendations for consideration to the Nominating and Corporate Governance Committee, which will be evaluated using substantially the same criteria as applied to recommendations of directors and members of management, by providing the person's name and appropriate background and biographical information by writing to the Nominating and Corporate Governance Committee at Ollie's Bargain Outlet Holdings, Inc., Attn: The Board of Directors, the Nominating and Corporate Governance Committee, 6295 Allentown Blvd., Suite 1, Harrisburg, Pennsylvania 17112. No potential director nominees were recommended by stockholders in 2019.

To assist it in performing its duties, the Nominating and Corporate Governance Committee has the authority to engage outside consulting firms.

The Nominating and Corporate Governance Committee was established on April 25, 2019 and met two (2) times in fiscal 2019.

Director Nominations

Our Director nominees up for election at this Annual Meeting are recommended to our Board for election by our Nominating and Corporate Governance Committee and nominated for election by the Board.

As noted above, our Board will also consider director candidates recommended for nomination by our stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). In general, in identifying and evaluating nominees for director, our Board considers whether the candidates possess the required skill sets and fulfill the qualification requirements of directors approved by the Board, including independence, sound judgment, business specialization, technical skills, diversity and other desired qualities.

Our Board believes that a diversity of viewpoints, background, experience, industry knowledge and geography, as well as more traditional characteristics of diversity, such as race and gender are meaningful for Board function. Accordingly, although the Company does not have a separate policy specifically governing diversity, our Nominating and Corporate Governance Committee is focused on identifying highly qualified diverse candidates and will consider, among other factors, the extent to which a candidate would result in increased diversity of the Board. The Nominating and Corporate Governance Committee and the Board intends to continue to search for candidates who would enable the Board to become more diverse in terms of gender and ethnicity, and any director candidate so identified who also possesses the required skill sets and fulfills the Board's established qualification requirements will be presented to the Nominating and Corporate Governance Committee for consideration.

Board Role in Risk Oversight

Our Board and management continually monitor the material risks facing our Company, including, but not limited to financial risk, strategic risk, operational risk, and legal and compliance risk, as well as risks the Company is facing related to the ongoing COVID-19 pandemic. Management regularly reports to the Board on its activities in monitoring and mitigating such risks. Overall responsibility for risk oversight rests with our Board. In addition, the Board may delegate risk oversight responsibility to a particular committee in situations in which risk falls within the committee's area of focus or expertise. Our Board believes that for certain areas of risk, our Company is better served by having the initial risk evaluation and risk monitoring undertaken by a subset of the entire Board that is more focused on the issues pertaining to the particular risk. For instance, our Compensation Committee assists the Board in evaluating risks relating to our compensation policies and

TABLE OF CONTENTS

procedures. Also, our Audit Committee assists the Board in fulfilling the Board's oversight responsibility relating to the evaluation of financial, regulatory, cyber and other enterprise level risks confronting the Company. As it deems necessary, the respective committee to which oversight and monitoring of a particular risk has been assigned reports on risk exposures and mitigation strategies with respect to such risk to the entire Board.

Compensation Risk Analysis

The Compensation Committee is aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking and conducts, annually, a formal review, in conjunction with Pearl Meyer, of all of its incentive programs for executives and employees. After conducting this review, the Committee has concluded that our compensation programs are not reasonably likely to incentivize employee behavior that would result in any material adverse effect on the Company.

Board Leadership Structure

Our Board understands there is no single, generally accepted approach to providing Board leadership and that given the dynamic and competitive environment in which we operate, the appropriate leadership may vary as circumstances warrant. Until his untimely passing, Mr. Butler served as our Chief Executive Officer and as the Chairman of our Board. Our Board believed it was in the Company's best interests to have Mr. Butler serve as Chairman of our Board and as Chief Executive Officer. The Board has determined to appoint Richard Zannino as our Lead Independent Director while it continues to consider the appointment of a Chair to the Board and the appropriate leadership for the Board.

Our Lead Independent Director is appointed by the independent members of our Board, with the following responsibilities:

- Presiding at all meetings of the Board, including executive sessions of the independent directors;
- Serving as liaison between the CEO and the independent directors;
- Approving information sent to the Board;
- Approving meeting agendas for the Board;
- Approving meeting schedules to assure that there is sufficient time for discussion of all agenda items;
- Calling meetings of the independent directors; and
- If requested by major shareholders, ensuring that he is available for consultation and direct communication.

Attendance at Meetings

It is our policy that each director must be prepared to devote the time required to prepare for and attend Board meetings and fulfill their responsibilities effectively. Our Directors may not serve on more than four other public company boards, but none of our Directors currently serves on more than two other public company boards.

In fiscal 2019, the Board held five (5) meetings and took action by unanimous written consent from time to time. All incumbent directors attended 100% of (i) the total number of meetings of the Board (held during the period for which he has been a director); and (ii) the total number of meetings held by all committees on which he served (during the periods that he served).

We do not, as a general matter, require our Board members to attend our Annual Meetings of stockholders. None of our Directors attended the 2019 Annual Meeting of Stockholders.

Executive Sessions

Executive sessions of our independent directors are held regularly.

Concerns relating to accounting, internal controls or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee. We have adopted a Whistleblower Policy, which establishes procedures for submitting these types of concerns, either personally or anonymously through the submission of a written statement to the General Counsel or the Audit Committee.

These guidelines outline the role of our Board, the composition and operating principles of our Board and its committees and our Board's working process. Our Corporate Governance Guidelines and Principles are posted on our website at www.ollies.us.

COMPENSATION OF NON-EMPLOYEE DIRECTORS AND DIRECTOR STOCK OWNERSHIP GUIDELINES

Our Board, based upon the recommendation of the Compensation Committee, has set non-employee director compensation at the median level for the peer group identified by its compensation consultant, Pearl Meyer.

Pearl Meyer benchmarked our non-employee director compensation during fiscal 2019 based upon our peer group established in 2017 and compared against the National Association of Corporate Directors Survey. As further described below, based on the recommendation of Pearl Meyer, our Compensation Committee determined, and the Board approved, that both the level and form of non-employee director compensation should be increased to the median of general industry companies with revenues of between \$650 million to \$1.3 billion.

For fiscal 2019, the annual cash retainers for non-employee directors was \$60,000 and was increased to \$75,000 effective at the third quarterly meeting of the Board in fiscal 2019. Non-employee directors also receive annual awards of restricted stock units, which vest one year from the grant date. For fiscal 2019, the value of the annual equity award was \$85,000, and beginning in 2020, our non-employee director annual equity award was increased to \$100,000. The increases to director compensation were based on the Pearl Meyer benchmark study conducted in fiscal 2019.

We also implemented non-employee director stock ownership guidelines in connection with such compensation increases. Non-employee director stock ownership guidelines require the non-employee director to maintain four (4) times their annual cash retainer and to meet the requirement within five (5) years.

The Audit Committee Chair receives an additional cash retainer of \$20,000, and the Compensation Committee Chair receives an additional cash retainer of \$15,000. Committee member retainers are \$10,000 per year for Audit Committee members and \$7,500 per year for Compensation Committee members. Cash compensation is paid in quarterly installments to those eligible to receive it. We also reimburse each of our directors for direct travel expenses incurred in connection with attendance at meetings of the Board and its committees.

Director Compensation for Fiscal Year 2019

The following table sets forth the information concerning all compensation paid by the Company during fiscal 2019 to our non-employee directors.

Name	Fees earned or paid in cash	Stock awards ⁽¹⁾	Total
Robert Fisch	\$75,000	\$85,000	\$160,000
Stanley Fleischman	77,500	85,000	162,500
Thomas Hendrickson	87,500	85,000	172,500
Stephen White	77,500	85,000	162,500
Richard Zannino	82,500	85,000	167,500

(1) Represents the aggregate grant date fair value for stock awards granted in fiscal 2019, determined in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718 *Compensation – Stock Compensation* excluding the effect of estimated forfeitures. As of February 1, 2020, Messrs. Fisch and Fleischman both held 6,250 options and 1,064 RSUs, Mr. Hendrickson held 25,750 options and 1,064 RSUs, Mr. White held 1,064 RSUs, and Mr. Zannino held 893 RSUs, each granted in connection with each director's Board service.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the annual total compensation of our median employee and the annual total compensation of John Swygert, who was appointed Interim President and CEO on December 2, 2019 and President and CEO on December 10, 2019. In accordance with SEC rules, we have chosen to annualize the annual total compensation of Mr. Swygert, rather than combining the compensation provided to Mr. Butler and Mr. Swygert during the time that each of them held such position.

The 2019 annual total compensation of the median compensated employee, other than our CEO, John Swygert, was \$14,342. Mr. Swygert's 2019 annual total compensation, annualized to account for the portion of the year that he was not CEO was \$3,172,846. The ratio of these amounts is 221 to 1.

TABLE OF CONTENTS

To identify the median compensated employee, we analyzed employees as of February 2, 2018. We used total cash compensation, including base salary (and overtime and allowances as applicable) for fiscal year 2017, with salaries annualized for those permanent employees who did not work for the full year as our consistently applied compensation measure. Reasonable estimates of cash compensation were made for those employees who were hired during 2017 using current base salary and any overtime or allowances paid during 2017. As the change in compensation of the employee identified for 2017 would result in a significant change in the Company's pay ratio, for purposes of this disclosure and as permitted by SEC rules, for 2018 we identified an employee whose consistently applied compensation measure in 2018 was substantially similar to that of the employee identified in 2017. We did not make any other adjustments permissible by the SEC nor did we make any other material assumptions or estimates to identify our median employee. The median employee did not change from employee identified in 2018. Other than the passing of Mark Butler, there were no changes in our employee population or compensation arrangements that would have significantly affected our pay ratio calculation.

This pay ratio is a reasonable estimate calculated in a manner consistent with SEC rules based on our payroll and employment records and the methodology described above. The SEC rules for identifying the median compensated employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices. As such, the pay ratio reported by other companies may not be comparable to the pay ratio reported herein, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

**PROPOSAL 2 –
NON-BINDING ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER
COMPENSATION**

Ollie's seeks a non-binding advisory vote from its stockholders to approve the compensation of its Named Executive Officers (the "Named Executive Officers" or "NEOs") as described in the Compensation Discussion and Analysis section beginning below. This vote is commonly known as "Say-on-Pay," and the Compensation Committee of the Board has adopted a policy of providing for an annual Say-on-Pay vote.

We encourage you to read the Compensation Discussion and Analysis and Compensation Table sections to learn more about our executive compensation programs and policies. The Board believes that its 2019 compensation decisions and our executive compensation programs align the interests of the stockholders and executives while emphasizing variable, at-risk compensation largely tied to company performance goals and balancing both long- and near-term objectives.

This vote is not intended to address a specific item of compensation, but rather our overall compensation policies and procedures related to the Named Executive Officers. While this "Say-on-Pay" vote is advisory in nature, it will not be binding on Ollie's or the Board. However, our Board will carefully consider the outcome of this vote and the discussions with investors when making future executive compensation arrangements. We will disclose how many stockholders voted "For" or "Against" the following resolution and how many stockholders abstained from voting.

The Board recommends that shareholders vote in favor of the following resolution:

"Resolved, that Ollie's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in Ollie's proxy statement for the 2020 Annual Meeting of Stockholders pursuant to the executive compensation disclosure rules of the United States Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2019 Summary Compensation Table and the other related tables and disclosure."

Your Board unanimously recommends a vote "FOR" this proposal.

COMPENSATION DISCUSSION AND ANALYSIS**Introduction**

The compensation arrangements and decisions described in this Compensation Discussion and Analysis were made prior to the global outbreak of the COVID-19 pandemic, and as of the filing of this Proxy Statement, it is premature to describe actions that the Compensation Committee may or may not undertake with respect to compensation during the Company's 2020 fiscal year. During this unprecedented time, the Compensation Committee's long-standing principles will guide its decision-making process. As the global COVID-19 pandemic evolves and the economic circumstances continue to develop, the Compensation Committee will monitor the situation and review and consider the Company's executive compensation program and practices as it determines to be in the best interests of the Company's stockholders, and where appropriate, other stakeholders.

The Compensation Committee is committed to providing a compensation program for our executives that is aligned with the strategic direction of our business and rewards executives for creating value for our shareholders. This compensation discussion and analysis ("CD&A") provides an overview of our executive compensation program and how the compensation provided to our named executive officers ("NEOs"), who are the two persons that served as Chief Executive Officer during fiscal 2019, our Chief Financial Officer, and our three other most highly compensated executive officers, was determined in 2019.

Our NEOs for fiscal 2019 are as follows:

Name	Position
John Swygart	President and CEO (effective December 10, 2019); previously named Interim President and CEO on December 2, 2019; previously Executive Vice President, Chief Operating Officer and Secretary
Jay Stasz	Senior Vice President and Chief Financial Officer
Omar Segura	Senior Vice President, Store Operations
Kevin McLain	Senior Vice President, General Merchandise Manager
Rob Bertram	Vice President, General Counsel
Mark Butler	President and CEO (until his passing on December 1, 2019)

As described above, on December 1, 2019, our President and Chief Executive Officer, Mark Butler, unexpectedly passed away. Upon his passing, the Board appointed John Swygart as Interim President and Chief Executive Officer on December 2, 2019. The Board then elected John Swygart to the Board and named him President and Chief Executive Officer, effective December 10, 2019. Mr. Segura retired and separated from employment with the Company, effective as of the close of business May 1, 2020.

Executive Summary

In fiscal 2019, we compensated our NEOs through a combination of base salary and annual cash incentive bonuses as well as grants of stock options and RSUs pursuant to our Equity Plans. Our executive officers are also eligible to receive certain benefits, which include a 401(k) plan with matching contributions, life insurance, automobile allowances, group term life insurance and group health insurance, including medical, dental and vision insurance.

Fiscal Year 2019 Performance Highlights

- We reported a 13.4% increase in net sales to \$1.408 billion and a 2.1% decrease in comparable store sales from a 4.2% increase in the prior year;
- We grew our store base 13.9% and ended the year with 345 stores in 25 states;
- Net income increased 4.5% to \$141.1 million and net income per diluted share increased 4.4% to \$2.14; and
- Adjusted EBITDA increased 6.7% to \$196.0 million.

Fiscal Year 2019 Compensation Highlights

Our compensation program for the NEOs is driven by the need to recruit, develop, motivate and retain top talent both in the short- and long-term and align the interests of NEOs and shareholders.

[TABLE OF CONTENTS](#)

Base Salaries: As discussed below under “Elements of our Compensation Program and Benefits Programs”—“Base Salary,” six of our NEOs, Messrs. Butler, Stasz, Swygert, Segura, McLain and Bertram received base salary increases in fiscal 2019.

Annual Incentive Program

For participants in the annual incentive bonus plan (the “Incentive Bonus Plan”), the annual incentive bonus is based on the salary of the individual, and a sliding scale that is consistent with their position with the Company or set out in their respective Employment Agreements. Our Incentive Bonus Plan is based on the level of Company performance against a target that is approved by the Board on an annual basis, based on a target Adjusted EBITDA (the “Target Adjusted EBITDA”). In the event that the Company does not exceed a threshold of 85% of the Target Adjusted EBITDA, no bonus will be paid. The maximum bonus is payable upon achievement of at least 115% of Target Adjusted EBITDA. Between 85% and 115% of target, payouts are calculated based on linear interpolation between such amounts. For fiscal year 2019, our Adjusted EBITDA of \$196.0 million was approximately 10% below the Target Adjusted EBITDA of \$216.8 million, resulting in payouts for our NEOs at 36.7% of their Target Bonus. For a discussion of how we calculate Target Adjusted EBITDA and our NEOs payouts for the 2019 Incentive Bonus Plan, see “Elements of Our Executive Compensation and Benefits Programs—Annual Incentive Compensation,” below.

Long-Term Incentive Program

For 2019, we granted long-term equity awards in the form of time-vested stock options and RSUs. The stock options vest ratably over four years. See “Elements of our Executive Officer Compensation and Benefits Program—Long Term Equity Incentive Compensation,” below.

Compensation Practices

Since we became a public company in July 2015, we have sought to adhere to key governance practices that reflect our compensation philosophy and support long-term company success while helping to mitigate compensation risks.

Role of the Compensation Committee, Management and Consultant

Compensation Committee

Our Board has delegated administration of our executive compensation program to the Compensation Committee, which among other things reviews the performance of our NEOs and makes determinations and decisions on their compensation programs, including the components, mix and targeted amounts. In evaluating and making

TABLE OF CONTENTS

determinations about the Company's compensation programs and policies, the Compensation Committee considers, among other things, performance, the Company's risk profile, recommendations of the compensation consultant, compensation levels among our peers, and the results of the most recent "say-on-pay" vote of our stockholders. As described in more detail in this Proxy Statement under "Corporate Governance - Compensation Committee," the Compensation Committee operates under a written charter, which sets out its roles and responsibilities regarding executive compensation. Since the date of our IPO, all members of the Compensation Committee have met all applicable independence standards under Nasdaq corporate governance standards.

Management

The CEO provides input as to the other NEOs' performance and recommends compensation adjustments for executives other than himself. Ultimately, all decisions with respect to NEO compensation are made by the Compensation Committee.

Compensation Consultant

To assist it in performing its duties, the Compensation Committee has the authority to engage outside consulting firms. Our Compensation Committee has engaged Pearl Meyer as its independent compensation consultant, to advise on director and executive officer compensation since we began preparing for our IPO in early 2015. In fiscal year 2019, Pearl Meyer provided assistance to the Compensation Committee with respect to director and CEO compensation matters.

The Compensation Committee has sole discretion to engage, retain, obtain the advice of, terminate and determine funding for the compensation consultant and is directly responsible for the appointment, compensation and oversight of the compensation consultant's work.

The Compensation Committee has examined the independence of Pearl Meyer under factors contained in the SEC rules and Nasdaq listing standards and determined that Pearl Meyer is independent and concluded that its work for us does not raise any conflict of interest.

Compensation Philosophy

Our executive compensation programs are designed to accomplish the following principles:

- align with and support the strategic direction of our business;
- to link pay with overall company performance and reward executives for behaviors which drive shareholder value creation; and
- to be financially efficient and affordable.

We have reviewed the competitiveness of compensation provided to our NEOs, and do not target a specific market level for the competitiveness of any individual element of compensation or for the program as a whole. However, we consider target compensation at levels that are competitive with other retail comparators.

Pay Mix

Our pay mix is driven by our compensation philosophy as well as each NEO's role and strategic value to the organization. A significant amount of each NEO's compensation is at risk, with particular focus on long-term equity incentives (options and RSUs) that align the interests of our executives with those of our shareholders.

Peer Group

In 2017, Pearl Meyer completed a study to evaluate the Company’s peer group against the Company’s revenue and market cap and adopted a peer group of 17 companies based on the revenue and market cap of the Company. We believe this peer group continues to appropriately reflect our unique market cap to revenue size ratio, high growth profile and business characteristics.

Elements of Our Executive Compensation and Benefits Programs**Base Salary**

The Compensation Committee considers what salaries must be paid in order to attract and retain high-quality executives. We annually review our executives’ base salaries and make adjustments only when necessary based on individual and Company performance.

We provide a minimum, fixed level of cash compensation to reflect the level of accountability of talented executives who can continue to improve the Company’s overall performance. In addition, salary is based on experience, industry knowledge, duties and scope of responsibility as well as the competitive market for talent.

In April 2019, each of our NEOs received increases to their base salaries as follows: Mr. Butler (4.91%); Mr. Swygart (5.00%); Mr. Stasz (6.67%); Mr. Segura (2.42%); Mr. McLain (5.05%); Mr. Bertram (2.44%). Mr. Swygart also received a salary increase in connection with his appointment as CEO in December 2019.

Annual Incentive Compensation

In March 2019, the Compensation Committee approved the performance targets and potential bonus payouts for our NEOs for the 2019 fiscal year under our Incentive Bonus Plan. The Compensation Committee determined that, consistent with prior years, a main business objective to incentivize our management was to focus on increasing our Adjusted EBITDA, which was used as the basis for the Incentive Bonus Plan for our NEOs.

To calculate payouts under the Incentive Bonus Plan, the Company’s Adjusted EBITDA is assessed relative to performance targets (see targets for the 2019 fiscal year provided below). Bonus payouts range from 0% of the NEO’s base salary if threshold performance (85% of the Adjusted EBITDA) is not exceeded to 200% of the NEO’s base salary if maximum performance (115% of the Adjusted EBITDA) is achieved. When the performance threshold is met, payouts are interpolated on a straight-line basis for performance levels between threshold and target and between target and maximum. The level of performance required to achieve maximum payout under the Incentive Bonus Plan was determined by the Compensation Committee to be reflective of truly outstanding performance.

We define EBITDA as net income before net interest income or expense, loss on extinguishment of debt, depreciation and amortization expenses and income taxes. Adjusted EBITDA represents EBITDA as further adjusted for non-cash items of stock-based compensation expense and certain purchase accounting items, and a gain on an insurance settlement. EBITDA and Adjusted EBITDA are non-GAAP measures and may not be comparable to similar measures reported by other companies. For additional information, see “Management’s Discussion and Analysis of Financial Condition and Results of Operations – EBITDA and Adjusted EBITDA” on page 36 of our Annual Report on Form 10-K, filed with the SEC on March 25, 2020.

TABLE OF CONTENTS

The Adjusted EBITDA targets and potential payouts under the Incentive Bonus Plan for fiscal 2019 for each NEO, as well as performance achieved, were as follows based on actual achievement of \$196.0 million Adjusted EBITDA or approximately 90% of the Target Adjusted EBITDA (\$216.8 million):

Executive	Threshold Payout (% of Base)	Target Payout (% of Base)	Maximum Payout (% of Base)	Resulting Payout
John Swygert	0%	100%	200%	\$158,401 ⁽¹⁾
Jay Stasz	0%	50%	100%	\$ 58,139
Omar Segura	0%	50%	80%	\$ 58,275
Kevin McLain	0%	50%	80%	\$ 47,415
Rob Bertram	0%	40%	60%	\$ 30,801
Mark Butler	0%	100%	200%	\$ 0 ⁽²⁾

⁽¹⁾ Amount is based on actual salary paid to Mr. Swygert during fiscal 2019 and is based on his previous bonus target as COO of between 75% and 150% of his salary at the time, until December 10, 2019, and his CEO target and salary after that time.

⁽²⁾ As we discussed herein, Mr. Butler passed away unexpectedly in December 2019 and the Company did not pay a 2019 bonus.

Long-Term Equity Incentive Compensation

Equity awards under the Company's 2015 Plan, are a vital piece of our total compensation package. Equity awards are intended to compensate NEOs for sustained long-term performance, align the interests of our NEOs and shareholders and encourage retention through multi-year vesting schedules. Long-term equity incentive awards may take a variety of forms. In fiscal 2019, we granted RSUs and stock options. Levels, mix and frequency of awards are determined by the Compensation Committee, and are designed to reflect each recipient's level of responsibility and performance. Vesting of RSUs differs by individual based on their length of service with the Company. Through and including fiscal 2019, employees with less than 10 years of service were awarded RSUs that cliff vest after four years ("Non-Tenured Employee RSU Vesting"). Employees with 10 years or more years of service are awarded RSUs that vest ratably over four years ("Tenured Employee RSU Vesting"). As an employee gains tenure, they become eligible for the Tenured Employee RSU Vesting. Beginning in fiscal 2020, the Board determined to issue RSUs solely with ratable vesting, regardless of an employee's tenure.

Fiscal Year 2019 Grants

Our long-term equity incentive program for fiscal 2019 was designed to generally deliver 50% of long-term equity value in RSUs and 50% in stock options for our NEOs. We believe awarding a significant percentage of pay in the form of long-term equity fosters strong alignment between executive and shareholder interests.

Grant values were determined in accordance with our philosophy of providing competitive total compensation level, with a heavier emphasis on variable long-term pay.

As part of his promotion to President and Chief Executive Officer, Mr. Swygert was granted 54,915 options, which vest in four equal installments on each anniversary date of the grant, December 10, 2019. Mr. Swygert was also granted 16,584 RSUs, which vest in four equal installments on each anniversary date of the grant, December 10, 2019, subject to continued service through each applicable vesting date.

Option and RSU Awards granted to our NEOs are reflected below in the "Fiscal 2019 Grants of Plan Based Awards" Table.

Restricted Stock Units

RSUs directly align NEOs' and shareholders' interests over a longer-term period and are a very important retention component of our compensation program. RSUs vest over four years, or cliff vest on the fourth anniversary of date of grant for those employees with fewer than ten years of service. See also "Fiscal Year 2019 Compensation Highlights, Long Term Incentive," above.

Stock Options

Stock options have traditionally been granted as a component of our long-term incentive program and continue to be a valuable vehicle designed to align NEOs' and shareholders' interests over a longer-term period. Stock

options are granted at no less than fair market value and only have value to the extent of that our stock price increases. Stock options vest ratably over a four-year period.

Retirement, Health and Welfare Benefits and Other Perquisites

The majority of our compensation is in the form of base salary, Incentive Bonus Plan and long-term incentives with minimal perquisites provided. Our NEOs are entitled to participate in all of our employee benefit plans, including medical, dental, vision, group life and disability insurance, and our 401(k) Retirement Savings Plan. We provide vacation and paid holidays to our NEOs. Generally, our NEOs participate in these plans and programs on the same or similar basis as are offered to our other senior employees.

Recoupment Policy

Pursuant to our 2015 Plan, any cash or equity-based awards based on financial statements that are subsequently required to be restated may be recouped to the extent that the restated incentive payments would be decreased. This policy is intended to comply with any compensation recovery, “clawback” or similar policy made applicable by law including the provisions of Section 945 of the Dodd-Frank Act as applicable.

Hedging and Pledging Policy

Our Policy on Insider Trading explicitly prohibits all employees and directors from purchasing financial instruments (including prepaid variable forward contracts, equity swaps, collars, and exchange funds), or otherwise engaging in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of registrant equity securities on hedging or pledging of any of our company stock.

Stock Holding Requirements

Beginning in March 2017, our Board has adopted ownership guidelines, which were amended in March 2018 and amended again in March 2020:

Executive Level	Multiple of Salary Requirement
CEO	5x Salary
CFO	2x Salary
Other Executives	2x Salary
Board of Directors	4x Annual Cash Retainer

For purposes of meeting this policy, ownership includes:

- Actual stock owned;
- Vested in-the-money stock options net of an assumed 40% tax rate;
- Vested Restricted Stock;
- Outside purchases or holdings of Company stock; and
- Shares beneficially owned by the family members of Covered Executive.

Executives covered by the policy have five (5) years to meet the guidelines established by it. However, during the period that a person covered by the policy has not met the standards set by the policy, covered executives are encouraged to hold 50% of the shares unrealized from vesting or exercise of shares or stock options on a post-tax, net share basis. In addition to the established guidelines, other guidelines regarding the length of time an executive must attain the guideline along with the respective holding requirements are established within the policy.

The Compensation Committee assesses progress toward meeting ownership expectations on an annual basis, measured on the last day of the fiscal year. Management communicates with the Compensation Committee the covered person’s progress toward increasing his or her ownership position. As of February 1, 2020, each covered executive had either met the requirements, or was deemed to be on track to meet the requirements of the policy.

Impact of Accounting and Tax Matters

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of compensation vehicles that we utilize. With respect to accounting matters, the Compensation Committee examines the accounting cost associated with equity compensation considering FASB ASC Topic 718, Compensation – Stock Compensation (ASC Topic 718).

Compensation Committee Report

This report is submitted to Ollie's stockholders by the Compensation Committee. The Compensation Committee consists solely of non-executive directors who are independent, as determined by the Board in accordance with the Company's guidelines and Nasdaq listing standards.

The Compensation Committee has reviewed, and discussed with management, the Compensation Discussion and Analysis contained in this Proxy Statement, and based on this review and discussion, recommended to the Board that it be included in this Proxy Statement.

Employment Agreements

We have entered into employment agreements with all of our NEOs.

The Compensation Committee believes that severance and change in control arrangements, when properly tailored, are appropriate and necessary to retain the NEOs and to recruit other potential executive candidates. Further, in the case of any potential change in control, the Compensation Committee has concluded that such commitments are necessary to enable our NEOs to evaluate objectively the benefits to shareholders of the proposed transaction, notwithstanding any potential effects on their own job security.

The Compensation Committee also believes that reasonable severance and change in control benefits should be:

- established with reference to an executive’s position and current cash compensation opportunities, not with reference to his or her tenure;
- conditioned upon execution of a release of claims against the Company and its affiliates; and
- conditioned on the executive’s commitment not to compete with the Company for a reasonable period following any cessation of his or her employment.

No NEO of the Company has a right to receive a tax gross-up related to the impact of the excise tax under Section 280G of the Internal Revenue Code.

The material provisions of each such agreement are described below. For the purposes of the employment agreements, “Company EBITDA” refers to Adjusted EBITDA without any adjustments for pre-opening expenses.

John Swygert

In September 2012, we entered into an employment agreement with Mr. Swygert, who served as our Chief Financial Officer at the time, which we amended in July 2015 and further amended in January 2018 in connection with his promotion to Chief Operating Officer. In December 2019, in connection with his promotion to President and Chief Executive Officer, we further amended Mr. Swygert’s employment agreement (such amended agreement, the “Swygert Agreement”).

Under the Swygert Agreement, Mr. Swygert’s base salary will be at a rate of \$750,000 per annum, which was prorated for 2019. Mr. Swygert’s base salary for 2019 for service as Chief Operating Officer was \$525,000. Mr. Swygert is eligible to receive an annual cash performance bonus based on the Company’s ability to achieve certain Company EBITDA targets. If the Company EBITDA is equal to or greater than the maximum for any given year, the bonus shall be 200% of his base salary; if the Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 100% of his base salary; if the Company EBITDA is equal to or less than the minimum threshold for any given year, Mr. Swygert is not entitled to a bonus for that year. For his prior role as Chief Operating Officer, such bonus percentages were 150% at maximum and 75% at target. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. Swygert’s consent pursuant to the Swygert Agreement. Mr. Swygert is also eligible for six weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Swygert is entitled to an annual \$12,000 automobile allowance.

TABLE OF CONTENTS

In connection with the Swygert Agreement, Mr. Swygert was granted a long-term incentive equity award valued at \$2,000,000 consisting of both stock options and RSUs (collectively, the “Grant”), pursuant to and subject to the terms and conditions of the 2015 Plan.

If we terminate Mr. Swygert’s employment for cause or due to his disability or death, if he resigns without good reason or if he does not renew his employment, we must pay to him, in lieu of any other payments or benefits hereunder, any base salary earned but not paid through the termination date.

If we terminate Mr. Swygert’s employment without cause, if we do not renew his employment, or if he resigns for good reason, we must (i) pay him his base salary for the Severance Period (defined below), (ii) pay him a pro-rata portion of the bonus for the fiscal year in which such termination occurred, payable in a lump sum during the following calendar year, and (iii) continue to provide health, life and disability insurance benefits to the extent permitted under such plans until the earlier of (A) the expiration of the Severance Period and (B) the date that Mr. Swygert commences new employment; conditioned upon his signing of a release of claims within 21 days following the termination date and not revoking such release within seven days thereafter, and further conditioned on Mr. Swygert’s compliance with provisions relating to confidentiality, proprietary rights and restricted activities. Under Mr. Swygert’s employment agreement, “Severance Period” is defined as the longer of (X) 24 months following the termination date and (Y) the end of his then-current term of employment. “Good reason” and “cause” are defined as set forth under Mr. Swygert’ employment agreement, as may be amended from time to time.

Mr. Swygert’s employment agreement includes confidentiality provisions as well as provisions relating to proprietary rights, non-solicitation and non-competition that apply during Mr. Swygert’s employment and that extend for two years thereafter (six months thereafter with respect to proprietary rights), except if Mr. Swygert is terminated without cause (other than due to death, disability or non-renewal of the employment agreement), in which case such period shall end on the termination date.

Jay Stasz

In November 2015, we entered into an employment agreement with Jay Stasz, to serve as our Senior Vice President of Finance and Chief Accounting Officer, which was amended in January 2018 (together the “Stasz Agreement”) in connection with Mr. Stasz’s promotion to Chief Financial Officer. The Stasz Agreement remains in effect unless terminated by us or Mr. Stasz as further described below. Mr. Stasz was granted 50,000 options to purchase shares of company stock under the terms of the 2015 Plan; one-hundred percent (100%) of these options have now vested. Under the terms of the Stasz Agreement, Mr. Stasz is entitled to receive an annual base salary of \$300,000, which is re-evaluated annually by our Compensation Committee with the input of the Chief Executive Officer, but may not be reduced below \$300,000. In fiscal year 2019, Mr. Stasz’s annual base salary was \$320,000.

Mr. Stasz is eligible to receive an annual cash performance bonus based on our ability to achieve certain Company EBITDA targets. Currently, if our Company EBITDA is equal to or greater than a maximum for any given year, the bonus is 100% of his base salary; if our Company EBITDA is equal to the target Company EBITDA for a given year, the bonus is 50% of his base salary; and if our Company EBITDA is equal to or less than a minimum threshold for any given year, Mr. Stasz will not be entitled to a bonus for that year. Our Compensation Committee may change the manner in which any bonus is determined or calculated with Mr. Stasz’s consent pursuant to the agreement. Mr. Stasz is also eligible for three weeks of paid time off per year and may participate in our benefit and welfare plans that are available to senior management. In addition, Mr. Stasz is entitled to an annual \$12,000 automobile allowance.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Our Board has adopted a written policy relating to the approval of related person transactions. A “related person transaction” is a transaction or arrangement or series of transactions or arrangements in which we participate (whether or not we are a party) and a related person has a direct or indirect material interest in such transaction. Our Audit Committee reviews and approves or ratifies related person transactions that exceed \$120,000 individually or in the aggregate between us and (i) our directors, director nominees or executive officers, (ii) any 5% record or beneficial owner of our common stock or (iii) any immediate family member of any person specified in (i) and (ii) above. The Audit Committee will review all such related person transactions and, where the Audit Committee determines that such transactions are in our best interests, approve such transactions.

As set forth in the related person transaction policy, in the course of its review and approval or ratification of a related person transaction, the Audit Committee will, in its judgment, consider in light of the relevant facts and circumstances whether the related person transaction is, or is not inconsistent with, our best interests, including consideration of various factors enumerated in the policy.

Any member of the Audit Committee who is a related person with respect to a related person transaction under review or is otherwise not disinterested will not be permitted to participate in the discussions or approval or ratification of the related person transaction. Our policy also includes certain exemptions for related person transactions that need not be reported and provides the Audit Committee with the discretion to pre-approve certain related person transactions.

As of February 1, 2020, we lease four of our stores and our corporate headquarters from entities in which our deceased co-founder, and former Chairman, President and Chief Executive Officer, Mr. Butler, or his family has a direct or indirect material interest. Leases for the four stores expire between January 2022 and February 2027. The lease for our corporate headquarters expires in February 2033.

**PROPOSAL 3—RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Board recommends that the stockholders ratify the selection of KPMG LLP (“KPMG”) as our independent registered public accounting firm for our fiscal year ending January 30, 2021. The Audit Committee approved the selection of KPMG as our independent registered public accounting firm for our fiscal 2019. In doing so, the Audit Committee considers among other things, such factors as:

- The quality and efficiency of KPMG’s historical and recent performance on the Company’s audit;
- KPMG’s capability and expertise;
- The quality and candor of communications and discussions with KPMG;
- The ability of KPMG to remain independent;
- The appropriateness of fees charged; and
- KPMG’s tenure as the Company’s independent registered public accounting firm and their familiarity with our operations businesses, accounting practices, and internal controls over financial reporting.

KPMG is currently our independent registered public accounting firm.

Although the Company is not required to seek stockholder approval of this appointment, the Board believes that doing so is consistent with good corporate governance practices. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

We have been advised that a representative of KPMG, our independent registered public accounting firm for the year ended February 1, 2020, will attend the Annual Meeting, will have an opportunity to make a statement if such representative desires to do so, and will be available to respond to appropriate questions.
